## **ELECTION RESULTS**

I have been advised by the Australian Electoral Commission (AEC) that Jamie Hawkins has been elected as the Secretary of the Qld Branch of the Union. Jamie will also fill the role of State Secretary of the Queensland-registered body.

The AEC will issue a Declaration of Election tomorrow.

I take this opportunity to thank SCM Delegates for their support and assistance over the 12 ½ years I was Secretary of this great Union.

I also express my sincere gratitude to the Union's office staff for their support, help and friendship.

I wish Jamie every success in his new role and call on members to continue to support your Union.
