Elections

On the 10th of November 2009 I was notified by the Australian Electoral Commission that I had been elected to the position of State Secretary of our union. I am honored and humbled to be placed in this position and I am glad to welcome Steve Bunney to the position of State President.

I congratulate the other members that were successful. Those that have been re-elected have obviously been rewarded for their previous efforts and those that are new clearly have the confidence of the members. I offer my condolences to those that were unsuccessful.

I would like to acknowledge the service that Mark Walker has given to our union. Mark has had a long and distinguished career and has presided over a very important chapter in our history. I am sure that his family will appreciate seeing a lot more of him now that he has handed the baton on and I wish him health and happiness in the future.

We have moved

Over the last few weeks the office staff has been in the process of shifting the office downstairs. The new location gives us a slightly larger floor space and is a much better layout.

Christmas office closure

The office will be closed from the 18th of December until the 4th of January. For any assistance over the Christmas break please call your Regional Delegate.
